ATTN: John Hays, Water Superintendent

RE: Chlorine Generation Equipment

Dear Mr. Hays:

This is to notify you that you are hereby authorized to begin using the chlorine generation and feed equipment constructed at the Washington, Iowa water treatment plant for the chlorination of the public water supply. You are required to continue to comply with maintaining an adequate chlorine residual and to report chlorine residuals on your monthly operation report that is submitted to the field office.

Do not hesitate to contact us if you should have any questions.

Sincerely,

A handwritten signature in black ink that reads "Roy G. Ney PE".

Roy G. Ney, PE  
Water Supply Engineering
